### **Brava Systems Achieves Microsoft Solutions Partner Designation for Data & AI**

June 18, 2026 – Houston, TX – Brava Systems is proud to announce that it has attained the prestigious Microsoft Solutions Partner designation in the Microsoft AI Cloud Partner Program. As one of the first Microsoft partners to receive this recognition, Brava is honored to celebrate this milestone.

The Microsoft Solutions Partner designation highlights Brava’s proven technical capabilities, extensive experience, and demonstrated success in delivering customer outcomes aligned with the Microsoft Cloud. Specifically, Brava has earned the Solutions Partner status for Data & AI, underscoring its expertise in leveraging Microsoft’s advanced Azure cloud technologies.

“We are proud to receive the Microsoft Solutions Partner designation,” said Brava COO, Scott Heikkila. “This recognition validates our dedication to delivering cutting-edge AI and data solutions on Azure, and it reinforces our commitment to helping customers unlock the full potential of their data.”

This designation reflects Brava’s commitment to excellence and innovation and enables Brava to access enhanced capabilities, resources, and industry insights, further strengthening its ability to effectively serve its customers. Microsoft’s investment in Brava’s growth and profitability exemplifies the value of this partnership in driving customer success. Brava looks forward to continuing its collaboration with Microsoft to provide innovative, impactful solutions that drive business growth and transformation.
